The Spanish alphabet consists of the same letters as the English alphabet with four additional characters: CH, LL, N, and RR. Here is a simplified pronunciation key. If any special problems arise, they will be explained in that lesson.

A closely resembles "A" in father. B-both "B" and "V" are pronounced exactly alike in Spanish. Sometimes like "B" in book and sometimes like "V" in level. C is like "S" in "see" before "E" and "I". Hard like "C" in country at all other times. CH like "CH" in "Church." D about like "D" in "Do" and sometimes like "TH" in "they". E is like long "A" sometimes and sometimes like "E" in bet. F is about the same as in English. G is like "G" in go before "A", "O" or "U". Before "E" and "I" like the "H" in house. H is silent in Spanish. I like the "I" in the word "machine." J is strongly aspirated like the "H" in "house." K is found only in foreign words. L about as in English. LL in South America and Mexico like the English "Y". M and N as about in English. N like the "NY" in "canyon." O like "O" in obey and sometimes like "O" in order. P as about in English. Q is always followed by "U" and pronounced like English "K". R is slightly trilled. RR is strongly trilled. S like "S" in "sister." T as about in English. U like "OO" as in moon. V like B. W only in foreign words. X like "GS" between vowels. Like "S" before consonants. Y when standing alone it means "and" and like the English long "E". As a consonant like "Y" in Yuma. Z like C before "E" or "I."

We start with this Spanish expression: Pan, pan, vino, vino. Pan-bread. Vino-wine. So that would mean in English: Bread for bread, wine for wine. And it means in Spanish: the plain unvarnished truth. When would you use the expression? When you want the other person to know you aren't telling him a falsehood or kidding around. You are telling him the truth-just like it is.

Next: Mucho va de Pedro a Pedro. Mucho-much. Va-goes. Pedro-Peter. de-of or from. a-to. And it means in Spanish: There goes much from one Peter to another Peter. When would you use it? Well, in English it would be something like this: There is a wide difference between one man and another man.

How about this one: Quien adelante no mira, atrás se queda. Quien-who. adelante-forward, ahead. mira-looks, atrás-behind. queda-to stay, remain. And in Spanish it means just what it means in English: He who does not look forward, remains behind.

You will remember this one: A caballo regalado no hay que mirarle el diente. caballo-horse. regalado-given as a gift, no hay-there is not. mirar-to look. le-relating as an object-to the horse which is masculine. diente-the tooth. And this also means in Spanish just what it means in English: You must not look a gift horse in the mouth.

Have you ever heard this one in English? First for the Spanish: El ama brava es llave de su casa. Ama-mistress. (The word is feminine but has the el before it.) brava-severe, brave. es-is llave-key. su-hers casa-house. And in Spanish this means-A severe mistress makes the servants honest. Translate it word for word: A severe mistress is the key of her house. If the mistress is careless, indifferent, or doesn't care, then her servants will take advantage of her.

Next: No hay atajo sin trabajo. We had no hay which means there is not. atajo-short cut. trababjo-work. Word for word: there is no short cut without work. And that means: No gains without pains. Sometimes we hear it this way: We have to work for what we get.

Then you have this one: Mi palabra es prenda de oro. mi-my. palabra-word es-is. prenda-pledge; security. de-of. oro-gold. Word for word: My word is security of gold. And you know it as: My word is as good as my bond.

Today when a lot of young fellows are raising long beards, you have this one: El tiene pocas barbas. El-he. tiene-has pocas-few. barbas-hairs on the chin. Word for word: He had few hairs on the chin. Which is a way of saying: He is inexperienced or he is young.

When a person is stupid you can say: Es un bolo. Es-is; he is. un-a. bolo-a nine pin; also means stupid or idiot. Word for word: He is an idiot. However, the Spanish word for stupid is also: estúpido.

Now for this one: Donde hay gana, hay mana. Word for word: Where there is hunger there is skill. Donde-where. hay-there is. gana-desire. mañ-skill. We know it as: Where there is a will, there is a way.

Doctor develops home treatment that

RINSES AWAY BLACKHEADS
HELPS DRY UP ACNE PIMPLES

In 15 Minutes or Your Money Back!

Queen Helene Mint Julep Masque 15 Minute Treatment Must Show Immediate Improvement or — YOUR MONEY BACK!

A New York Doctor, working with a cosmetic laboratory, has developed a simple home-treatment that rinses away blackheads in a matter of minutes. It was demonstrated recently on five teen-age girls and three boys.

The results were breath-taking. Blackheads really rinsed away. In fact, many could be seen on the cloth used to wash off the Masque. But this wasn't all! Acne-pimples improved after one application, enlarged pores reduced, and rough, complexions became cleaner, clearer and smoother looking. These results certainly indicate why teen-agers are now saying "this is one product that really works" . . . and why mothers of teen-agers have endorsed its use.

The Masque-Cream Treatment is indeed a remarkable discovery, not only for clear healthy skins, but also for the self-confidence, poise and self-esteem a fine complexion brings to teen-agers!

Anyone Can Use It

If you suffer the agony of teen-age blackheads, acne-pimples and rough unsightly complexions, give yourself this home treatment at our risk. Apply this delightfully Mint-Scented Cream and within 2 or 3 minutes an absorbing agent, called Argilla, dries and turns this cream into a plastic-like masque. You will now feel as though hundreds of "tiny fingers" were softly kneading the skin, loosening pore-caked dirt, blackheads and foreign impurities.

As it firms and hardens, its suction-action draws out waste matter from the pores . . . In 15 minutes you simply rinse the masque away with lukewarm water which dissolves it immediately. When you wipe your face, you can see that blackheads and other pore "filler" actually come off on your towel. And your skin feels clean . . . really clean . . . refreshed, smooth like velvet!

Start Now Improve Your Complexion

Don't take a back seat or be a wall-flower because of bad skin. If you want to get your full share of fun and parties . . . clear up your complexion and let Mint Julep Masque "Lead the Way"! You certainly owe it to yourself to try a single fifteen minute home treatment to convince yourself that this new Queen Helene masque-cream can work wonders for you.

Attention! MOTHERS of Teen-Agers

Queen Helene Mint Julep Masque is a MUST for you, too! It will help tighten sagging skin on face and throat, relax tired face muscles and stimulate a fresher, cleaner, more youthful complexion. Try a medicated Mint Julep Masque Treatment YOURSELF. You'll be delighted with the skin-tightening experience and more alive feeling that comes with every treatment.

Queen Helene Mint Masque is only $3.00 for the six ounce jar, enough for over 3 months of daily home treatments. Buy it today! Start using it immediately! Prove it to yourself at our risk, for one full month. If, at any time during the month, you are not completely satisfied, simply return the unused portion and you will get back every penny of your purchase price.

Losing His Or Her Hair

If you are troubled by thinning hair, dandruff, itchy scalp, if you fear approaching baldness, read the rest of this statement carefully. It may mean the difference to you between saving your hair and losing the rest of it to eventual baldness.

Baldness is simply a matter of subtraction. When the number of new hairs fail to equal the number of falling hair, you end up minus your head of hair (bald). Why not avoid baldness by preventing unnecessary loss of hair? Why not turn the tide of battle on your head by eliminating needless causes of hair loss and give Nature a chance to grow more hair for you? Many of the country's dermatologists and other foremost hair and scalp specialists believe that seborrhea, a common scalp disorder, causes hair loss. What is seborrhea? It is a bacterial infection of the scalp that can eventually cause permanent damage to the hair follicles. Its visible evidence is "thinning" hair. Its end result is baldness. Its symptoms are dry, itchy scalp, dandruff, oily hair, head scales, and progressive hair loss.

So, if you are beginning to notice that your forehead is getting larger, beginning to notice that there is too much hair on your comb, beginning to be worried about the dryness of your hair, the itchyness of your scalp, the ugly dandruff — these are Nature's Red Flags warning you of impending baldness. Even if you have been losing your hair for some time, don't let seborrhea rob you of the rest of your hair.

HOW COMATE WORKS ON YOUR SCALP

The development of an amazing new hair and scalp medicine called Comate is specifically designed to control seborrhea and stop the hair loss it causes. It offers the opportunity to thousands of men and women losing their hair to bacterial infection to reverse the battle they are now losing on their scalps. By stopping this impediment to normal hair growth, new hairs can grow as Nature intended.

This is how Comate works: (1) It combines in a single scalp treatment the essential corrective factors for normal hair growth. By its rubifacient action it stimulates blood circulation to the scalp, thereby supplying more nutrition to still-alive hair follicles. (2) As a highly effective antiseptic, Comate kills on contact the seborrhea-causing scalp bacteria believed to be a cause of baldness. (3) By its keratolitic action it dissolves ugly dandruff. By tending to normalize the lubrication of the hair shaft it corrects excessively dry and oily hair. It eliminates head scales and scalp itch.

In short, Comate offers you in a single treatment the best that modern medicine has developed for the preservation of your hair. There is no excuse today except ignorance for any man or woman to neglect seborrhea and pay the penalty of hair loss.

COMATE IS UNCONDITIONALLY GUARANTEED

To you we offer this UNCONDITIONAL GUARANTEE. Treat your scalp to Comate in your own home, following the simple directions. See for yourself in your own mirror how after a few treatments, Comate makes your hair look thicker and alive. How Comate ends your dandruff, stops your scalp itch. How Comate gives your hair a chance to grow. Most men and women report results after the first treatment, some take longer. But we say this to you. If, for any reason, you are not completely satisfied with the improvement in your own case — AT ANY TIME — return the unused portion for a prompt refund. No questions asked.

But don't delay. For the sake of your hair, order Comate today. Nothing — not even Comate — can grow hair from dead follicles. Fill out the coupon now, and take the first step toward a good head of hair again.
